### Year End!

Just a quick note for the last newsletter of the year. Unbelievably Christmas is almost upon us and with that the new year!

I would like to take this opportunity to thank everybody that has worked with us this year. It has been another year of massive growth. We have a bigger team, a new warehouse and an expanded range of product and whilst there have been some growing pains I think I speak for the whole team when I say it has been a lot of fun!

Over the Christmas period both Auckland and Christchurch warehouses will be open on all but the public holidays. We will be running with a reduced staff and please note the amended opening hours for this period.
