2 Months Down Already.

Well its been a very busy month with a warehouse move and a stocktake thrown in to really make us busy. Its hard to believe we are already two months into the year!

In February our extended team grew again as Les, our Auckland storeman had his first child. Arriving nearly two weeks late, he was born a beautiful, happy healthy boy Ezekiel.

Congratulations Les & Bianca!

We are now trading out of the new warehouse in Christchurch. We are really pleased with the new building and it will allow us to really ramp up service to the South Island. The Christchurch boys love showing it off so if you are in the neighbourhood, stop in for a coffee and say Giddyay!

Like many of you I'm sure, March is the final month in our financial year. This will be our third full year of trading and I am amazed at how far we have come in that time. From a backyard shed to two full size office and warehouses in the North and South Island. This is due to hard work and the immense support you have given us and for this I thank you. Without the incredible support from our reseller network this would not have been possible.

I'm looking forward to seeing what the rest of the year brings!

Jason
