

Newsletter Nov 2007

Price Book.

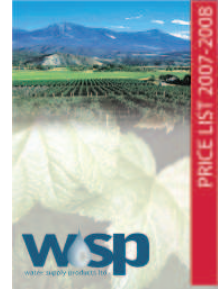

By now you should have received your copy of our latest price book.

This release is primarily an update of the book to include some of the new lines we have acquired in recent months. Please note that a handful of lines have increased, more have decreased but the majority have remained un changed.

If you have not received your copy, please contact either the Auckland or Christchurch offices and give your rep a hurry up!

We can also supply this in PDF form either as a download or on CD. Please let us know if this would be of use to you.

The new book can be easily identified by its red strip down the right hand side.

November Special - Hunter XC Controllers

For the month of November we are running a season special on

Hunter XC Controllers

For All November get **55% OFF LIST PRICE** for any order!

Place your orders before the 10th of November and get

60% OFF List price!!

This promo will only run while stocks last.

Tefen MixRite Proportional Injectors.

We are pleased to now represent the Tefen MixRite series of proportional injectors.

These high quality units are excellent for injecting liquids, chemicals and fertilisers for stock drinking water, irrigation and fertigation, industry or water treatment.

These units are simple to install and service, have a high degree of accuracy and are superb for use in applications where no power is available.

More information can be downloaded from the **Product Info** page under sensors and injectors on our web site.

And Another One! (They Just Keep Coming)

We are ecstatic to announce the arrival of Keegan Fong born 3.3KG on the 17th October.

A brother for wee Harley. Congratulations Tanya and Des!

The Team Grows.

We are please to introduce:

In the North Island:

Scott Mahupuku - Scott will be covering the Hawkes bay and Bay Of Plenty so customers in those areas can expect an introduction soon. Scott comes with a long history in irrigation and great design and product knowledge skills - great for those tricky ones!!!

Scotts contact details are:

Email - scott@watersupply.co.nz

Mobile: 021 2 477 200

In the South Island:

Andrew Harrison - Andrew will be covering Christchurch and North providing sales and support to the region. New to irrigation, Andrew has a background in Hort with a dedication to service.

Andrews contact details are:

Email aharrison@watersupply.co.nz

Mob: 029 444 3001

Sprinkler Specification Book.

You should by now have received your copy of our sprinkler specification book.

This contains specification and support material for all our Riegos Costa sprinklers, SIME Guns, Nelson Rotators and others.

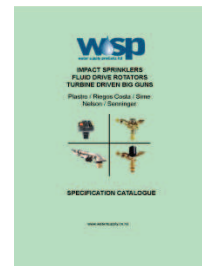

This booklet can also be downloaded from our web site:

www.watersupply.co.nz
